

**ATTACHMENT B**
Remarks

By this amendment, and without addressing the arguments of the Examiner, Applicants hereby cancel without prejudice claims 1-3 and 5-36, and have amended Claim 4 to be placed in independent form and to include the subject matter indicated by the Examiner as being allowable. Accordingly, the only remaining claims are allowed claims 4, 37 and 38. Applicants will address the prior rejections at such time as continuation applications may be filed which attempt to claim the canceled subject matter.

In light of the cancellation of the non-allowed claims, the prior rejections have become moot, and this application has been placed in condition for immediate allowance. Such action is respectfully requested.
